Cleary Gottlieb Steen & Hamilton LLP is a leading international law firm, and its Brussels office is widely praised for its premier antitrust and corporate practices.

We are looking for candidates with excellent academic credentials who are fluent in both written and spoken English as well as Dutch and French and interested in obtaining an LL.M. degree from a university in the United States or in the United Kingdom. Please visit our website for more information.

On November 13, our Brussels office will be hosting a recruiting event aimed at university students in their 3rd, 4th, or final year of law school. Please confirm your attendance to this event by sending an email with your CV to our Brussels HR team at BruLegalRecruit@cgsh.com by October 31.

The reception will start with a presentation on the firm and will follow with cocktails and a walking dinner. During the event we will be offering various workshops on life at Cleary Gottlieb as an associate / a stagiaire / a summer associate and how to apply for each of these positions, as well as workshops on LL.M.s in the US and in the UK.

You will also have the opportunity to meet our current stagiaires, associates and partners and learn more about what a career at Cleary Gottlieb could mean for you.

We look forward to meeting you!
