

Black Student Information Event 2023

Tuesday, April 25, 2023 from 6:30 p.m.

Rue de la Loi 57, 1040 Brussels

In Belgium, Black History Month is observed in March and creates an occasion to celebrate and mark the achievements and contributions of the Black community to Belgian history and culture.

As an international law firm we would like to celebrate this by organizing an informative student event specifically for law students, in any of their bachelor or master years of study, that are part of the Black community and are interested in finding out what a legal career is all about in an international firm.

Therefore Cleary Gottlieb are delighted to be hosting a Black Student Information Event at our office in Brussels on **Tuesday 25 April 2023** starting at 6:30 p.m.

The event will begin with a short reception, followed by a presentation and afterwards a walking dinner with refreshments.

Please accept this invite to get the inside track on:

- What a career in an international law firm is like – what kind of clients can you expect to work with, what does the average day look like. Is there an average day?
- What does it take to get there – what are the expectations in terms of grades, work experience and selling yourself in your applications. And what are the usual timelines for applications?
- What help is available to get there – what scholarships are available in Belgium, how do you apply and what are the timelines for those?
- There'll also be opportunities for you to ask our talented lawyers any questions that you may have.

We invite you to register for the event and confirm your attendance by email to vvanhoorebeeck@cgsh.com before April 23, 2023.

We look forward to meeting you on April 25 in our offices!
